Right: "I can't believe I finally made it!"

Senior year, last year at M.H.S. The past years have shown us the ways of school life. Wondering why this year's Freshmen seemed so small; standing for recognition; assuming positions of seniority in clubs and student council; feeling the weight of real leadership for the first time; cementing friendships; selecting the best colleges; perspiring under the pressure of a nearing term paper deadline; developing a sense of independence; realizing that underclassmen do follow the Senior example and anticipating prom night. We found that our best efforts were united ones, but we learned too, that we could stand alone. As underclassmen we knew only what was expected of us by others. But as Seniors, we learned what we could expect of ourselves.

"Into my Own"

One of my wishes is that those dark trees,
So old and firm they scarcely show the breeze,
Were not, as "twere", the merest mask of gloom,
But stretched away unto the edge of doom.

I should not be withheld but that some day
Into their vastness I should steal away,
Fearless of ever finding open land,
Or highway where the slow wheel pours the sand.

In Memoriam

Mary Hood

God hath not promised
Skies always blue
Flower-strewn pathways
All our lives through;
God hath not promised
Sun without rain,
Joy without sorrow,
Peace without pain.

But God hath promised
Strength for the day,
Rest for the labor,
Light for the way.
Grace for the trials
Help from above,
Unfailing sympathy
Undying love.

While another year of experiences has slipped by, the production of a bigger and better yearbook has captured the highlights of the year. The Mock Democratic Convention not only proved a success but also as an insight to the real conventions. Brigadoon was a smash hit as the music and drama departments combined their talents into one big production. The Prom, being the social highlight of the year, was held at Stan Hywet Hall in Akron.

With more color pictures and extra pages the staff of the 1972 Medinian hopes to bring back reminders of the past and many hours of enjoyable browsing to MHS students.

Editor's thanks go to the staff for their dedication and hard work to make this a great book and to "Chevy" for his patience and cooperation. We had a great time!
